# The next generation of peptides: looking beyond collagen

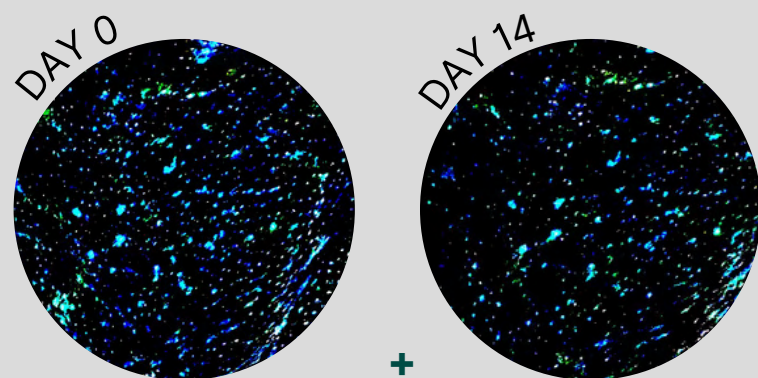

## Wrinkles (eye zone)

Up to -26% day 14

## Skin Pores

Up to -22.4% day 14

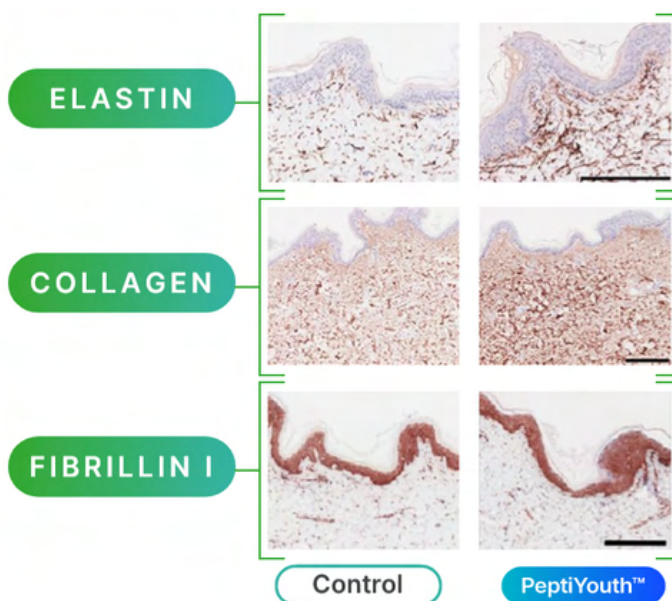

+  
Dark Spots  
Smoothness  
Fine-lines

Active at low concentration: 35ppm

Naturally penetrating  
Not chemically modified

Boosts the efficacy of  
Retinol & Vitamin C

- ✓ 55% increase in collagen expression
- ✓ 56% increase in elastin expression
- ✓ 33% increase in fibrillin expression\*

\*measured via ELISA

## Supported, proven and trusted

- ✓ Efficacy demonstrated in 2 double blind human clinicals
- ✓ Easy to formulate with - water soluble
- ✓ Nature Identical Synthetic peptide
- ✓ Safe for dermatological brands
- ✓ Vegan
- ✓ Not tested on animals
- ✓ Patented
- ✓ Non-GMO
- ✓ Not chemically modified
- ✓ Shelf life 24 months
- ✓ INCI = s-Pea Oligopeptide-1SP
- ✓ CAS number RN 2059930-42-4
